

# Preschool2Me

Welcome to our daily reporting application. Together with SmartCare we are able to streamline the check in and check out process with QR codes from your phone, pin codes or tag cards. You will get daily reports on your child's care and education as well as pictures and videos. Every Wednesday you will get an email for your tuition and it will be due on Friday morning. After your payment is posted you will receive another email updating your tuition balance. The owners are always available by text or phone for questions you may have about your anything concerning your child or tuition throughout the day.

## Parent App
